Following the conference, a collection of scientific articles will be published.

The organizing committee has the right to select submitted scientific reports. Materials that are not relevant to the conference topics or are not prepared in accordance with the requirements are rejected. The organizing committee does not provide information concerning the examination of individual works.

Mogilev State A. Kuleshov University reserves the right to transfer materials into electronic form with their placement in the electronic archive of the library of Mogilev State A. Kuleshov University and on the platform **elibrary.ru in the public domain.**

Applications for participation in the conference, materials of reports as well as paper articles signed by the author are accepted until November 4, 2020 by e-mail (the "subject" of e-mail is "Romanov's Readings"). Invitations will be sent to participants until November 20, 2020. Conference fee and a copyright agreement are obligatory for publishing the article. The registration fee and a copyright agreement will be indicated in the invitation to the conference. **The registration fee** includes the costs of publishing a collection of scientific articles and placing it in the scientometric base of the Russian Science Citation Index.

Travel, meals and accommodation for conference participants are at the expense of sending organizations.

The texts of article (up to 4 full A4 pages) should be typed through the text editor Microsoft Word for Windows (the single interval, font – Times New Roman, 14 pt; all margins – 25 mm). The first line indicates the UDC index. Then, in the center the title of the article is printed; through the interval full name of the author(s) are printed; the next line indicates position, the place of work or study; academic degree and academic status, the next line indicates the city and country (in brackets). Then goes summary of the article in accordance with the language of the article. The volume of summary is up to 40 words. Further, the text of the report goes (paragraph indent is 1.25 cm). References to the literature are given in square brackets. Tables are inserted into the text. After the main text, a list of reference is given (references are presented in accordance with the requirements of the Higher Attestation Commission of the Republic of Belarus, GOST 7.1 – 2003).

Materials that do not meet the above mentioned requirements are not considered.
