The working languages of the conference are Belarusian, Russian, Ukrainian, Polish, English.

Participation in absentia is allowed.

Submission procedure

To participate in the conference, before **March 10, 2019** send to the organizing committee an application and materials of your report via e-mail (the "subject" of the e-mail states: "Religion and society 2019"). A personal invitation and a contract form for participation will be sent upon the receipt of the application and the text of the report. The amount of the registration fee will be indicated in the personal information.

Texts are published in the collection of articles "Religion and Society - 13" (RSCI) approximately in June 2019.

Mogilev State A. Kuleshov University reserves the right to convert the materials into electronic form with their placement in the electronic library of the University and in the Russian Science Citation Index on the platform elibrary.ru in the public domain.

Submission guidelines

The application and the text of the report are submitted in the form of a single document file. The file name should consist of the author's surname and initials (eg: V. Petrov). The application is placed on the first page of the document file. The text of the report is presented in the editor Microsoft Word font Times New Roman, 14pt; single spacing. All fields - 2.5 cm. The volume of the text of the report, including the list of references - up to 3 full pages.

The title of the report is printed in the first line of the text of the report; the second (after skipping one line) contains the surname, name, patronymic of the author (s), place of work and (in parentheses) - city, country (all in center alignment). Further, with a paragraph indent of 1.25 cm and a single line omission, a brief annotation is printed, then, with a single line omission, the text of the report. Footnotes to the literature are given in square brackets. The list of references is given at the end of the text, after skipping a single line, under the heading "Literature", and is issued in accordance with GOST 7.1.

Text alignment using space characters, font compression and interval spacing, the use of automatic hyphenation are not allowed.

The organizing committee reserves the right to select the submitted texts. Materials which violate the specified requirements and do not correspond to the subject of the conference, the criteria of the scientific nature of the text, or need to be corrected, are rejected. The organizing committee does not give information on the progress of the examination of individual works.
